ST GEORGE MINING – INVESTOR PRESENTATION

St George Mining Limited (ASX: **SGQ**) ('St George' or 'the Company') is pleased to issue a new Investor Presentation titled ***"Growing a High-Grade Nickel-Copper Sulphide Discovery in Western Australia"***.

The Investor Presentation showcases recent exploration success at our flagship Mt Alexander nickel-copper sulphide project – where drilling continues 24/7 – as well as the upcoming maiden drill programme at our new Paterson Project that will test copper and gold targets.

A copy of the new Presentation is attached.

Authorised for release by the Board of St George Mining Limited.
